NON-PLANT FOOD INGREDIENTS

Ingredients:

Acetic Acid.....30%

Derived from natural acetic acid

Density: 8.66 lbs per gallon at 68° F

CONDITIONS OF SALE: 1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one, other than an officer of seller, is authorized to make any warranty, guarantee, or direction concerning this product. 2. Because the time, place, and rate of application are beyond seller's control, seller's liability from handling, storage, and use of this product is limited to replacement of product or refund of purchase price.

CAUTION:

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat and/or skin. Avoid contact with eyes, skin and clothing.

If swallowed: water should be consumed to dilute. Do not induce vomiting. Never give anything by mouth to an unconscious person. Get medical attention.

If in eyes: wash eyes with plenty of clear water for at least 15 minutes. Get medical attention.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Final nutrient guarantee may vary from specimen label due to variations in raw ingredient analysis. Customer will be notified if variation from specimen label is greater than 0.2% in nutrient analysis.

This product meets the Program Standards set forth by The National Organic Program (NOP) final rule 7CFR Part 205.
