### DIRECTIONS FOR USE

#### Spray Adjuvant

##### For Use with Herbicides

Use between one and five gallons per 15 gallons of spray solution. Add **Phyta-Ger QC™** to water prior to adding herbicide.

##### For Use with Insecticides and Fungicides

Use between one and three gallons per 100 gallons of spray solution. Add **Phyta-Ger QC™** to water prior to adding insecticide and/or fungicide. **Phyta-Ger QC™** performs best when the pH of the final spray solution is 3.5. Do not use with any product that acts as a buffer or has a pH above 7.5.

#### Drip Irrigation

Use **Phyta-Ger QC™** to dissolve lime deposits in drip irrigation systems. Best results are obtained by ending the irrigation cycle with a two to five percent concentration of **Phyta-Ger QC™**. Do not flush **Phyta-Ger QC™** from system prior to 48 hours after treatment.

#### Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal. Container disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

## KEEP OUT OF REACH OF CHILDREN DANGER

### FIRST AID

- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
- If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- If swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center. Do not give anything by mouth to an unconscious person.
- If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMAN AND DOMESTIC ANIMALS—DANGER:** Corrosive. Causes irreversible eye damage. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash clothing before reuse.

**ENVIRONMENTAL HAZARDS:** Do not contaminate water when cleaning equipment or disposing of equipment washwaters or rinsate.
